Now in its fourteenth year, the ACCGS award honors the fastest-growing, privately-held companies in the region for their significant contributions to strength of the regional economy. Companies eligible for the award must be independent, privately-owned businesses, be based in either Hampden or Hampshire counties or be a member of the ACCGS, be in business for at least three full years and produce revenues of at least \$1 million in the last fiscal year.

This year’s revenue winners combined for more than \$730 million in the past fiscal year with a majority of companies exceeding \$18 million in sales. Nine (9) companies are new to the revenue category this year. Seven (7) companies on the revenue list also qualify for the growth category. Two (2) companies are new to the top-ten revenue winners list.
